SLEUTH'S DEATH RECALLS PLOT TO ROB TOMB

CHICAGO, Nov. 26.—The story of the plot to rob the tomb of Abraham Lincoln in Oak Ridge cemetery at Springfield, Ill., was revived today following the announcement of the death of Elmer Washburn, former chief of police of Chicago.

According to the story, suppressed on request of relatives, the alleged plot was made in the fall of 1917 and the plan was to convey the body of the martyred president to Canada where negotiations for its return would be conducted. Mr. Washburn was head of the government secret service here at the time and with eight federal agents he was hidden in the cemetery when the four ghosts entered the tomb.

Pays Supreme Sacrifice In War

CAPT. ISAAC REESE.

News of the death of Capt. Isaac Reese in the battle field of France was received by his parents, Mr. and Mrs. Isaac Reese, 210 Madison Avenue, in a telegram from the war department late Monday.

Capt. Reese was graduated from the Fort Oglethorpe training camp with the rank of lieutenant, but by gallantry in action and efficient leadership won promotion to a captaincy. He died in action Oct. 29.

Prior to his enlistment he was in the cotton business here. Capt. Reese, of the 416 The company, is a brother. He was a splendid character, high-spirited, courteous and gentle. No young man in Memphis made more friends or held them closer.

FIRST WOMAN ENVOY TALKS UPON PROBLEMS

BERNE, Nov. 26.—(By the Associated Press.)—Madame Rosa Schwimmer, of Port-au-Prince, Haiti, who has accepted the post of Hungarian ambassador to Switzerland, being the first woman to receive such an appointment, declared to correspondents that the food needs of Hungary are "neither near urgent."

However, she added, there is some danger owing to the lack of coal. Difficulties in the northern and southern sections of the old Austro-Hungarian empire have prevented Hungary from getting its full amount of coal.

The situation in Hungary is such, Madame Schwimmer continued, that the government would be willing to abide by any decision of a peace conference, "no matter how unfavorable," because the government is helpless.

TURK PAPERS URGING U. S. CONTROL OF POWER

CONSTANTINOPLE, Nov. 26.—(By the Associated Press.)—American control of the Turkish gendarmerie and finances is being urged by a group of nine newspapers—seven Turkish and two French—in Constantinople. The group also advocates American supervision of the educational system and the separation of church and state.

A deputation will request permission to present the program to President Wilson during his visit to Paris. The program will be announced this week.

PERU WITHOUT NEWS FROM CHILE CONSULS

LIMA, Nov. 26.—The Peruvian government has not received official dispatches from its consular representatives in Chile for 48 hours, although it has recalled its consular agents there. The newspapers here have received no news from their correspondents in Chile, and it is believed that a strict censorship is in force at all Chilean posts.

Peruvian consuls in Chile have been ordered to return by the first steamer, and the Peruvian steamer Urubamba, now at Valparaiso, has been ordered to bring to Callao all Peruvians desiring to leave Chile. The reported cancellation by the Peruvian government of all the extensions of Chilean consuls in Peru is incorrect. Lima is quiet.

RUSH SIX INFLUENZA VICTIMS FROM FIRE

GREENWOOD, Miss., Nov. 26.—(Sp.)—A destructive fire occurred Sunday night at the home of Mr. and Mrs. M. Sampson, 714 Market street, the blaze starting from a defective fuse in the front part of the house. The roof of the two-story structure was burned off. Practically all the contents were removed from the house, but were badly damaged. Six persons were ill with the influenza when the fire occurred, several of them being in a serious condition. They were removed to the King's Daughters hospital.

AIRMEN "IN AIR" OVER WAR'S END

PARIS, Nov. 26.—What will become of the aviators now that the fighting has ended?

Commercial aviation doubtfully will be extended greatly, but it is a question whether it will present sufficient attraction to the men who have taken up aviation for the distinction to be won in air fighting. The Aero club of France up to the present has issued 16,000 pilot licenses and hundreds of military pilots have not taken out the Aero club's license to which they are entitled.

Impunity among the French aviators shows that the majority are too young to be worrying about the next phase of life, although some hope that civilian aviation will offer satisfactory careers.

Lieut. Rene Ponck, the ace of aces, with 75 official victories, has not yet decided what he will do, but may remain in the army. He has received many offers and probably may go to the United States.

Lieut. Lemaitre, after leading 135 bombing expeditions, will be in charge of an aerial transport under flying. A young lieutenant barely of age, who has won 14 victories, says:

"All I know is that I will not continue my law studies."

Sub-Lieut. Bourdelle, with 23 successes, probably will have the least difficulty in returning to civilian life. He is a priest and will resume his clerical duties.

CUTICURA HEALS PIMPLES ON FACE

And Neck. Caused Itching and Burning. Greatly Disfigured.

"My face began to break out with small red pimples and pustules. The pimples continued to get large and more numerous until my entire face and neck were covered. My face looked as if it were a solid eruption. The trouble was very annoying causing an itching, burning sensation, and my face was greatly disfigured."

"This trouble lasted ten or twelve years and I finally tried Cuticura Soap and Ointment. In between six months and a year I was healed." (Signed) Mrs. J. D. Cobb, Gilsonville, N. C., April 2, 1918.

When Cuticura has cleared your skin of pimples and redness, keep it clear by using the Soap assisted by the Ointment for every-day toilet purposes. Absolutely nothing better.

Catarrhal Deafness and Head Noises

TELLS SAFE AND SIMPLE WAY TO TREAT AND RELIEVE AT HOME.

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Peppermint (Double Strength). Take this home and add to it 4 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises, headaches, dizziness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dripping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is said that nearly ninety per cent of all ear troubles are caused by catarrh and there must, therefore, be many people whose hearing may be restored by this simple, harmless, home treatment, advised.
